

RED RAD

Low Level

3kW 230v

Red Rad mobile heaters are ideal for heating specific items or personnel. Quartz infra red energy is unaffected by air movement around the heater making the Red Rad Mobile ideal for drafty or large areas

WEIGHT: 22KG

RED RAD

Mobile

3kW 230v

All the benefits of the Red Rad Mobile but with a tilting light head. This enables the heat energy to be targeted at ceilings, floors and walls, making the product a very effective drying or curing tool.

WEIGHT: 22KG
